

## **Section 12**

### **Pledges**

#### **Leadership & Professional Associations / Pledge**

"I pledge to become a Teacher Librarian who will strive to ensure that students and staff are effective users of ideas and information. I will pursue personal growth in the following aspects of this position:"

\_\_\_\_\_ I will increase my proficiency as an information specialist by: attending conferences and workshops. Also, I will read and learn about the global community as much as possible.

\_\_\_\_\_ I will increase my effectiveness as an instructional partner by: collaborating more with colleagues.

\_\_\_\_\_ I will increase my interpersonal skills to promote my accessibility as a collaborative teacher by: getting out of the library and into the classrooms.

\_\_\_\_\_ I will increase my effectiveness as an advocate of the library media program by: presenting at each faculty meeting and adding a library section to the school's monthly online publication.

\_\_\_\_\_ I will increase my capabilities in managing paid and volunteer personnel in the library media center by: creating a more workable plan for using volunteers.

\_\_\_\_\_ I will increase my effectiveness in budget management by: creating a more objective evaluation re: use of resources.

\_\_\_\_\_ I will continue my personal professional growth by: reading, networking, and attending conferences and workshops.
